EC-TEL is a leading international conference series that brings together researchers, practitioners, and policymakers working in the field of Technology Enhanced Learning (TEL). The conference provides a forum for the presentation and discussion of the latest research and

developments in TEL, and for the exchange of ideas and experiences among the TEL community.

The EC-TEL 2024 conference theme, "Technology Enhanced Learning for a Sustainable Future," reflects the growing need for TEL to address the challenges of sustainability. These challenges include climate change, environmental degradation, and social inequality. TEL has the potential to make a significant contribution to addressing these challenges by providing learners with the knowledge, skills, and values they need to create a more sustainable future.

The EC-TEL 2024 conference will explore a wide range of TEL topics, including:

- Learning analytics and assessment
- Adaptive and personalized learning
- Gamification of learning
- Virtual and augmented reality in learning
- Mobile learning
- Open and distance learning
- Social media and learning
- The ethics of TEL

The conference will also feature a number of special events, including:

Keynote speeches from leading experts in the field of TEL

- Workshops and tutorials on a variety of TEL topics
- A poster session where researchers can present their latest work
- A doctoral consortium for PhD students working in the field of TEL

EC-TEL 2024 will be a valuable opportunity for researchers, practitioners, and policymakers working in the field of TEL to come together and share their knowledge and experiences. The conference will also provide a forum for the discussion of the latest research and developments in TEL, and for the exchange of ideas and experiences among the TEL community.

Important Dates

- Paper submission deadline: March 15, 2024
- Notification of acceptance: May 15, 2024
- Camera-ready paper submission deadline: June 15, 2024
- Conference dates: September 10-13, 2024

Call for Papers

The EC-TEL 2024 conference invites submissions of original research papers, practical reports, and theoretical essays on the conference theme of "Technology Enhanced Learning for a Sustainable Future." Papers should be no longer than 8 pages in length and should be submitted in PDF format.

Papers will be peer-reviewed by a team of international experts in the field of TEL. Accepted papers will be published in the conference proceedings.

Conference Venue

The EC-TEL 2024 conference will be held at the Lyon Convention Centre in Lyon, France.

The Lyon Convention Centre is a state-of-the-art conference facility located in the heart of Lyon. The centre is easily accessible by public transportation and offers a variety of amenities, including a large exhibition hall, numerous meeting rooms, and a restaurant.

Accommodations

A variety of hotels are located near the Lyon Convention Centre. Attendees can book their accommodations directly through the conference website.

Registration

Registration for EC-TEL 2024 will open in March 2024.
