The ICA3PP is a biennial conference that provides a forum for the exchange of ideas and research on the application of psychology to real-world problems. The conference covers a wide range of topics, including:

- Clinical psychology

- Counseling psychology

- Educational psychology

- Forensic psychology

- Health psychology

- Industrial-organizational psychology

- Rehabilitation psychology

- Social psychology

- Sport psychology

The ICA3PP is a unique opportunity to learn about the latest research in applied psychology and to network with other professionals in the field. The conference will feature keynote speakers, invited symposia, and a variety of other presentations. There will also be opportunities for poster presentations and networking events.

The ICA3PP is a must-attend event for anyone interested in the future of applied psychology. The conference will provide a wealth of information on the latest research and trends in the field, and it will be an excellent opportunity to network with other professionals.

Call for Papers

The ICA3PP is now accepting submissions for papers. Papers may be submitted on any topic related to the application of psychology to real-world problems. The deadline for submissions is March 1, 2024.

Registration

Registration for the ICA3PP is now open. The early registration deadline is June 1, 2024.
