Author and naturalist John Muir Laws shares his own remarkable experiences with animals, plants, and the natural world. He tells stories of animals who communicate with each other and with humans, plants that heal, and the human spirit that finds solace and wonder in the wilderness.

Laws's writing is poetic and evocative, and his photographs are stunningly beautiful. *Close Encounters of the Natural Kind* is a book that will inspire you to see the world in a new light. It is a reminder that we are all connected to each other and to the natural world, and that there is still much to be discovered about the mysteries of life.
