### **About the Book**

Journey Into Dementia And Out Again is an inspiring and informative account of the author's journey into and out of dementia. It provides valuable insights and practical advice for caregivers and families.

The author, who was diagnosed with Alzheimer's disease in her early 60s, shares her experiences of living with dementia and the challenges she faced. She also discusses the different types of dementia, the symptoms, and the treatments available.

This book is a must-read for anyone who is caring for a loved one with dementia. It provides valuable insights and practical advice that can help you to provide the best possible care for your loved one.

### **What Others Are Saying**
