Meet the People Who Changed the World

From Marie Curie, the pioneering scientist who discovered radium, to Rosa Parks, the civil rights activist who refused to give up her seat on a bus, the National Geographic Little Kids First Big Book of Who introduces little kids to 75 people who have made a lasting impact on the world. Each person's story is told in a kid-friendly way, with easy-to-understand language and vibrant photographs.

Little kids will learn about the lives of these amazing people, the challenges they faced, and the accomplishments they achieved. They'll also learn about the different ways people can make a difference in the world, whether it's through science, art, activism, or exploration.

Inspire Future Generations

The National Geographic Little Kids First Big Book of Who is more than just a book about famous people. It's also a book about the power of human potential. It shows little kids that anything is possible if they set their minds to it.

This book is a perfect way to inspire future generations to dream big and make a difference in the world. It's a book that will be cherished by little kids for years to come.

Reviews

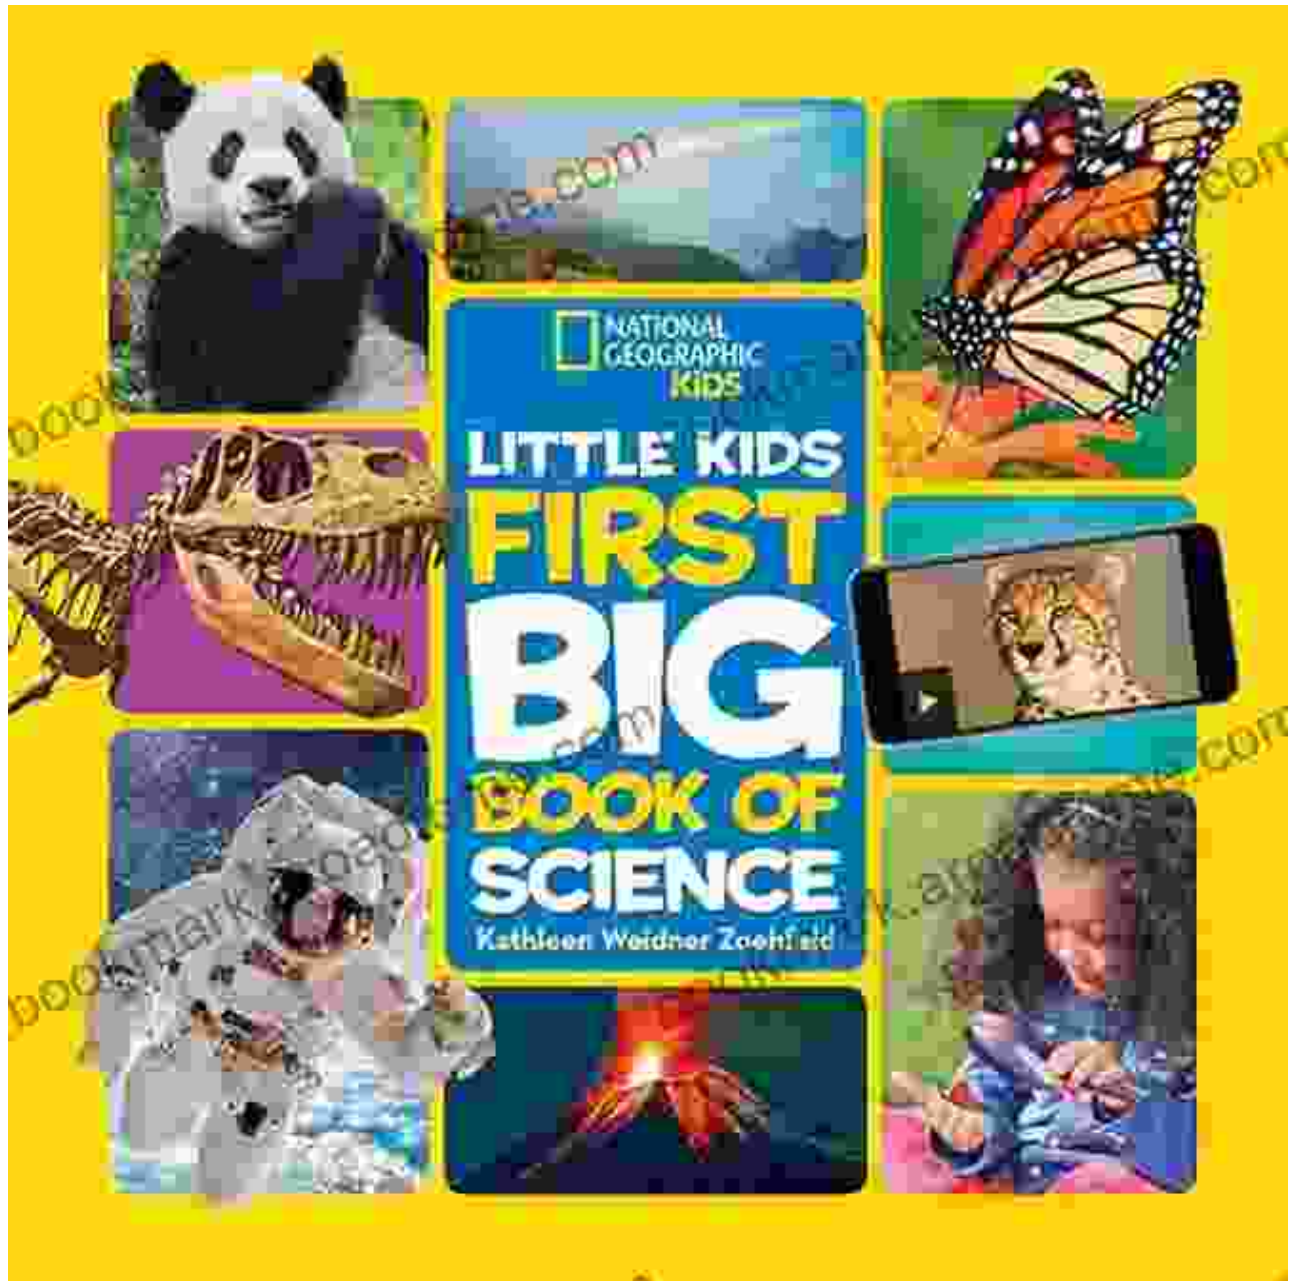

"The National Geographic Little Kids First Big Book of Who is a wonderful book for little kids who are interested in learning about the people who have made a difference in the world. The stories are engaging and easy to understand, and the photographs are vibrant and eye-catching. This book

is a great way to inspire future generations to dream big and make a difference in the world." - Our Book Library Customer

"I bought this book for my 7-year-old daughter, and she loves it! She's always asking me to read her stories about the different people in the book. She's learned so much about the world and the people who have shaped it. I highly recommend this book to any parent who wants to teach their child about the importance of diversity and inclusion." - Our Book Library Customer

The National Geographic Little Kids First Big Book of Who is a must-have for any child's library. It's a book that will inspire, educate, and entertain for years to come.
