Drawing on his decades of experience as a hypnotherapist specializing in spiritual regression, Dr. Newton has compiled a wealth of new evidence that sheds light on the mysteries of reincarnation. These case studies provide firsthand accounts of individuals who have accessed their past lives and memories of the life between lives.

Through these captivating narratives, readers will discover:

- The nature of the soul and its journey through multiple lifetimes
- The purpose and meaning of our existence
- The role of spirit guides and loved ones in our spiritual evolution

- The reasons for our challenges and experiences in this life
- The process of soul selection and life planning

***New Case Studies of Life Between Lives* offers a profound and transformative perspective on life, death, and the nature of our being. It is a must-read for anyone who seeks to understand the deeper mysteries of human existence and the journey of the soul.**
