Mark your calendars for CSR 2024, the premier international platform for cutting-edge computer science research and collaboration.

**Date:** June 15-19, 2024

**Venue:** Yekaterinburg, Russia

**About CSR 2024**

Since its inception, the International Computer Science Symposium in Russia (CSR) has been at the forefront of computer science research. CSR 2024 continues this tradition by bringing together leading researchers, industry experts, and academics from across the globe.

This prestigious symposium provides an exceptional opportunity to:

- Stay updated on the latest advancements in computer science, including emerging technologies and groundbreaking methodologies.
- Present and publish your original research findings in a peer-reviewed academic journal.
- Engage in thought-provoking discussions and establish connections with the world's leading computer scientists.

### **Topics of Interest**

CSR 2024 welcomes submissions in all areas of computer science, including:

- Algorithms and Data Structures
- Artificial Intelligence and Machine Learning
- Computational Biology and Bioinformatics
- Computer Architecture and Embedded Systems
- Computer Graphics and Visualization
- Computer Networks and Communications
- Database Systems and Data Management
- Formal Methods and Verification

- Human-Computer Interaction
- Information Retrieval and Natural Language Processing
- Mobile and Ubiquitous Computing
- Operating Systems and Middleware
- Programming Languages and Compilers
- Security and Privacy
- Software Engineering
- Theoretical Foundations of Computer Science

## **Call for Papers**

Researchers are invited to submit original, unpublished research papers for consideration. Submissions should be formatted according to the symposium's guidelines and should clearly state the problem being addressed, the proposed solution, and the significance of the findings.

The deadline for paper submissions is March 15, 2024.

Submit Your Paper

## **Keynote Speakers**

CSR 2024 features an impressive lineup of keynote speakers who will share their insights on the most pressing challenges and future directions in computer science:

- Dr. Maria Gavrilova, Russian Academy of Sciences
- Dr. David Patterson, University of California, Berkeley

- Dr. Daniela Rus, Massachusetts Institute of Technology

## **Conference Program**

The CSR 2024 program will include a combination of invited talks, paper presentations, workshops, and tutorials. The conference program will be announced closer to the event date.

## **Venue and Accommodations**

CSR 2024 will be held at the Ural Federal University in Yekaterinburg, Russia. The university provides state-of-the-art facilities and accommodations for conference attendees.

A range of accommodation options is available within walking distance from the conference venue, including hotels, guesthouses, and apartments.

## **Registration**

Early bird registration for CSR 2024 is now open. Discounted rates are available for students and members of professional societies.

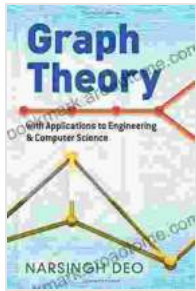

Register today to secure your place at the leading computer science symposium in Russia.

Register Now

## **Contact Us**

For any inquiries or further information, please contact the CSR 2024 Organizing Committee at [info@csr2024.org](mailto:info@csr2024.org).
