In *Stop Asking Jesus Into Your Heart*, author J.D. Greear challenges the traditional way we think about salvation. He argues that we don't need to ask Jesus into our hearts in Free Download to be saved. In fact, he says that ng so can actually hinder our relationship with God.

Greear bases his argument on the Bible, which teaches that we are saved by grace through faith. Grace is a free gift from God that we cannot earn. Faith is our response to God's grace. When we believe in Jesus, we are forgiven of our sins and we receive the Holy Spirit. The Holy Spirit is the

presence of God in our lives. He helps us to grow in our faith and to live according to God's will.

Greear explains that when we ask Jesus into our hearts, we are essentially trying to control our relationship with God. We are saying, "I'm going to let Jesus into my heart now, but I'm not sure how long I'm going to keep Him there." This is not the way God wants us to relate to Him.

God wants us to have a close, personal relationship with Him. He wants us to trust Him and to rely on Him for everything. When we stop asking Jesus into our hearts and start experiencing Him in our lives, we will find that our relationship with Him will grow stronger and deeper.

Stop Asking Jesus Into Your Heart is a challenging and thought-provoking book that will change the way you think about God and your relationship with Him. If you are ready to experience God in a whole new way, then I encourage you to read this book.
