Through captivating storytelling and stunning photography, "The Last Years Of Carlisle Steam" paints a vivid portrait of this pivotal period. Witness iconic steam engines performing their last duties, hauling freight and passengers through the picturesque landscapes of Cumbria.

From the bustling Carlisle Citadel station to the atmospheric M6 Junction 44 depot, the book takes you on a nostalgic journey through forgotten lines and vanished yards. You'll encounter legendary locomotives like the mighty "Black Five" and the graceful "Jubilee," as well as lesser-known workhorses that played a vital role in Carlisle's railway heritage.

More than just a chronicle of fading steam, this book is a celebration of an era that shaped our transportation history. It captures the passion, skill, and

camaraderie of the railwaymen who kept these magnificent machines running.

Whether you're a lifelong steam enthusiast or simply curious about the rich tapestry of our industrial past, "The Last Years Of Carlisle Steam" is an essential addition to your library. It's a poignant and evocative tribute to an era that will forever hold a special place in our hearts.
